EPISODE 1: WELCOME TO FIRESIDE

Welcome to Fireside!

You're now part of a team that gets the job done the right way.

At Fireside Group, we deliver engineering solutions our customers can rely on—and it all starts in the warehouse.

Every item we move. Every order we fill. Every interaction we have.

It matters. You matter.

Let's build something great—together.

WHO WE ARE

Fireside Group is a leading provider of engineered solutions and products.

Our success is built on our people, our processes, and our commitment to excellence.

We deliver value by being safe, reliable, and focused on continuous improvement.

We engineer solutions. You make them possible.

WHAT TO EXPECT

This training series will guide you through The Fireside Way in warehouse operations.

Each episode covers key principles and best practices that keep our team safe, efficient, and successful.

Use what you learn. Apply it every day. Lead by example.

Master the basics. Raise the standard.

Learn it. Live it. Lead it.

WHAT YOU BRING

A positive attitude

Willingness to learn

Commitment to safety and quality

Respect for your team and our customers

Pride in doing the job right the first time

Your mindset drives our success.

OUR CORE VALUES

SAFETY
We protect people, property, and the environment.

QUALITY
We do it right the first time, every time.

ACCOUNTABILITY
We own our actions and our results.

RESPECT
We treat everyone with respect and value teamwork.

CONTINUOUS IMPROVEMENT
We look for better ways every day.

We're glad you're here. You're now part of something bigger—something built on trust, teamwork, and pride in our work. **Welcome to Fireside!**

REMEMBER:

You represent Fireside Group. Every action. Every day. Make it count.

Let's get started!

Episode 2: Safety First

ONE TEAM. ONE STANDARD. ONE FIRESIDE.

1

EPISODE 2: PPE & SAFETY FIRST

PPE PROTECTS YOU. SAFETY PROTECTS EVERYONE.

Personal Protective Equipment (PPE) is your last line of defense.

When you wear it—and use it right—you protect yourself and your team.

Safety is everyone’s responsibility. Make it a habit. Make it part of *The Fireside Way*.

THINK SAFE. ACT SAFE.
GO HOME SAFE.

WHY IT MATTERS

PPE reduces the risk of serious injury.

Safe choices protect your team.

It’s the law. It’s the right thing to do.

You have a family that counts on you.

Safety isn’t just a rule. It’s a commitment.

KNOW YOUR PPE. WEAR IT. USE IT.

HARD HAT

Protects your head from falling objects and impacts.

SAFETY GLASSES

Protects your eyes from flying debris, dust, and chemicals.

HIGH-VIS VEST

Increases your visibility so you can be seen.

GLOVES

Protects your hands from cuts, abrasions, and pinches.

SAFETY FOOTWEAR

Protects your feet from impact, slips, and punctures.

HEARING PROTECTION

Protects your hearing in loud environments.

Use the right gear. Use it the right way. Replace it when it’s damaged.

SAFETY RULES THAT KEEP US SAFE

Follow all safety procedures and posted signs.

Stay aware of your surroundings at all times.

Watch for moving equipment and pedestrians.

Never take shortcuts. Do it right.

Keep walkways and work areas clean and clear.

Speak up. Report hazards and unsafe conditions.

See something. Say something. Do something.

NOT WEARING PPE CAN LEAD TO:

SERIOUS INJURY

LOST TIME

HURT YOUR TEAM

Let’s look out for each other. Wear your PPE. Follow the rules. **That’s the Fireside Way!**

DON’T FORGET

Inspect your PPE before each use.

Use PPE for its intended purpose.

Keep your PPE clean and in good condition.

Replace damaged or worn-out PPE immediately.

Your PPE works only if you do.

WE ARE COMMITTED TO A SAFE, HEALTHY, AND PRODUCTIVE WORKPLACE.
SAFETY FIRST. ALWAYS.

EPISODE 3: UNDERSTANDING THE WAREHOUSE

KNOW THE SPACE. WORK WITH PURPOSE.

Our warehouse is a fast-moving, high-impact environment. Understanding how it works helps us stay safe, work efficiently, and deliver excellence for our customers.

Learn the layout. Know the flow. Follow the process.

That's the Fireside Way.

WHY IT MATTERS

Understanding the warehouse improves safety and efficiency.

It helps you make better decisions.

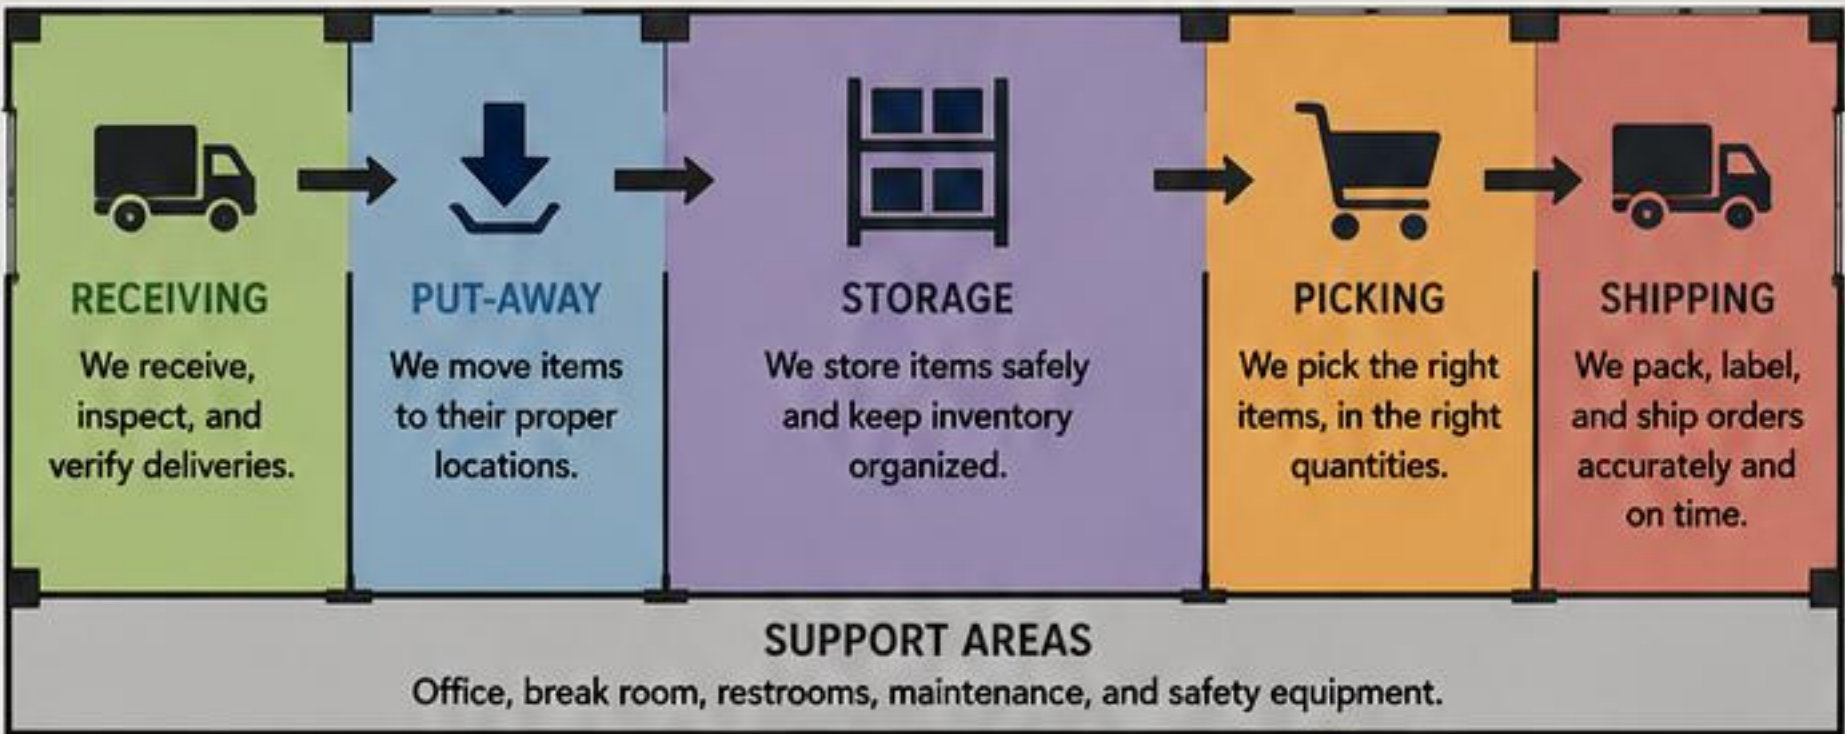

It supports our quality, accuracy, and customer commitment.

Knowledge reduces errors, damage, and delays.

WAREHOUSE LAYOUT OVERVIEW

KEY AREAS TO KNOW

- ☒ Aisle locations and numbers
- ☒ Emergency exits
- ☒ Fire extinguishers and first aid kits
- ☒ Eye wash stations
- ☒ Break areas
- ☒ Charging stations
- ☒ Traffic flow patterns

MATERIAL FLOW: FROM START TO FINISH

STAY ALERT

Watch for moving equipment.

Stay out of restricted areas.

Report hazards immediately.

Keep aisles and exits clear.

YOUR ROLE IN THE WAREHOUSE

- ☒ Learn the layout and follow the flow.
- ☒ Follow processes and use good judgment.

EPISODE 7: INVENTORY ACCURACY

1. COUNT WHAT WE HAVE

Accurate counts show us the real position.

If we count it right, we can plan it right.

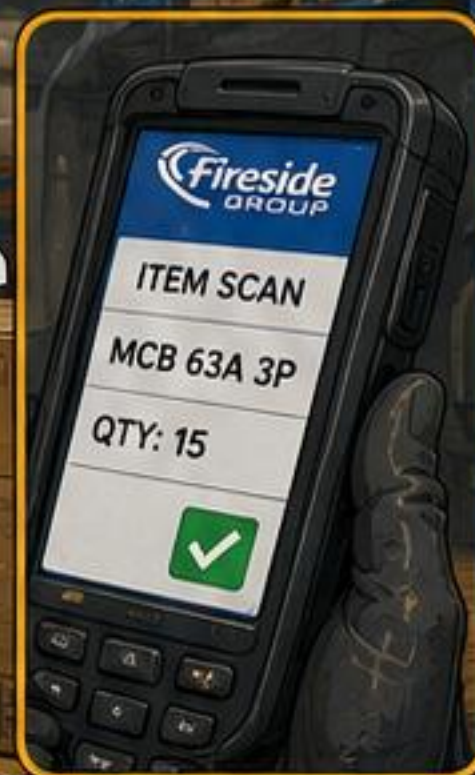

Counting is the foundation of accurate inventory.

2. USE THE RIGHT TOOLS

We use barcode scanners to reduce human error.

The system records instantly.

Right tools. Accurate data.

3. UPDATE THE SYSTEM

Every count must be updated in the system immediately.

Fireside GROUP INVENTORY SYSTEM

EPISODE 13: STOCK COUNT DAY

1. PREPARE FOR SUCCESS

A good count starts with good preparation.

BEFORE COUNT DAY

- ✓ Review count plan and schedule
- ✓ Verify count locations
- ✓ Check equipment (Scanner, batteries)
- ✓ Clear and organize count areas
- ✓ Confirm team assignments

Preparation today. Accurate results tomorrow.

2. FOLLOW THE PLAN

Follow the plan, stay in your area and count each item once.

FOLLOW THE RULES

- 📍 Count your assigned area
- 📋 Count every item
- 📊 Read barcodes and labels
- ❌ No guessing
- ❌ No skipping items

One team. One plan. One accurate count.

3. COUNT CAREFULLY & ACCURATELY

Take your time. Double-check. Accuracy is everything.

GOOD COUNT HABITS

- ✓ Scan or record accurate quantity
- ✓ Check unit of measure
- ✓ Look for hidden or misplaced items
- ✓ Report damaged goods
- ✓ Stay focused and alert

Count right. Count once. Count with pride.

4. VERIFY & RECONCILE

Review and reconcile your counts. Resolve any differences.

RECONCILIATION STEPS

- 📊 Compare system vs. counted qty
- 🔍 Investigate differences
- 🔧 Correct errors or duplicates
- 👤 Get supervisor approval
- 💻 Update system

Verify now. Trust the result.

5. RESPECT THE PROCESS

STOCK COUNT IN PROGRESS
DO NOT REMOVE MATERIAL
DO NOT ENTER COUNT AREAS

While counting is in progress, help us protect the process.

HOW YOU CAN HELP

- ❌ Do not move stock
- ❌ Do not enter count areas
- 🔊 Minimize distractions
- ⚠️ Report issues to your supervisor
- 👥 Support the team

DO NOT CROSS COUNT IN PROGRESS

Your cooperation protects our accuracy.

6. COMPLETE & CELEBRATE

Great count. Great team. Great results!

AFTER COUNT DAY

- ✓ Submit final count reports
- ✓ Review and approve adjustments
- ✓ Analyze variances and trends
- ✓ Recognize team effort
- ✓ Keep improving always

EPISODE 15: SAFE MATERIAL HANDLING

1. PLAN BEFORE YOU LIFT

THINK IT. PLAN IT. DO IT SAFELY.

Check the load, path, and destination before you lift.

Clear path. Stable load. Team lift if needed.

A little planning prevents injury and damage.

2. USE PROPER LIFTING TECHNIQUE

1 BEND YOUR KNEES
Keep back straight. Get close to the load.

2 GRIP FIRMLY
Use both hands. Secure your grip.

3 LIFT WITH YOUR LEGS
Stand up using leg strength. Avoid twisting.

Lift smart. Protect your body. Protect our team.

3. USE EQUIPMENT WHEN NEEDED

USE THE RIGHT TOOL

- ✓ Hand Trucks
- ✓ Pallet Jacks
- ✓ Forklifts
- ✓ Slings & Straps
- ✓ Dollies

Right tool. Right load. Right way.

Use the right equipment to move it safely.

Equipment makes the job easier—and safer.

4. SECURE THE LOAD

SECURE IT

- ✓ Center the load
- ✓ Use straps
- ✓ Wrap or band when needed
- ✓ Check for stability

A secure load stays in control—on the move and in place.

Secure it right. Prevent shifts, falls, and damage.

5. MOVE WITH A CLEAR PATH

CLEAR PATH SAFE MOVE

- ✓ Look ahead
- ✓ Remove obstacles
- ✓ Watch for wet floors
- ✓ Communicate your moves

Look ahead. Watch around you. Communicate. Move safely.

Clear path. Safe move. No surprises.

6. REPORT HAZARDS & DAMAGE

Report hazards or damage right away. Safety starts with you.

SEE SOMETHING? SAY SOMETHING!

- ⚠ Report damaged items
- 🚶 Report spills, obstructions, or hazards
- 📋 Report equipment issues

Your report protects everyone.

Speak up. Fix it. Keep everyone safe.

Handle with care. Move with purpose. Protect people, product, and our commitment. That's the *Fireside Way*!

SYSTEM BEST PRACTICES

- ☒ Log in with your credentials
- ☒ Enter data in real time
- ☒ Select correct items and locations
- ☒ Double-check before saving
- ☒ Log out when you're done

Use the system the right way, every time.

Good data in = good decisions out.

4. KEEP IT ORGANIZED

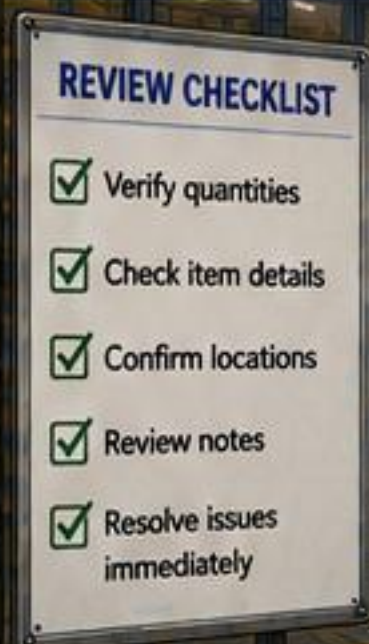

Organized records are easy to find and trust.

ORGANIZATION TIPS

- File by category and date
- Use clear labels and folders
- Keep digital and paper records up to date
- Store securely and access responsibly

A place for everything. Everything in its place.

5. REVIEW & VERIFY

REVIEW CHECKLIST

- ☒ Verify quantities
- ☒ Check item details
- ☒ Confirm locations
- ☒ Review notes
- ☒ Resolve issues immediately

Review your work. Verify the details. Catch issues early.

1. LEAD BY EXAMPLE

LEADERSHIP STARTS WITH ME

- ✓ Show up
- ✓ Speak up
- ✓ Step up
- ✓ Follow through

Your actions set the standard. Lead with pride, focus, and integrity.

People follow what leaders do, not just what they say.

2. OWN YOUR ROLE

OWNERSHIP IN ACTION

- ✓ Know your job
- ✓ Take initiative
- ✓ Keep commitments
- ✓ Take responsibility

Take ownership. Be accountable. Follow through until the job is done right.

Ownership builds trust. Trust builds strong teams.

WHY IT MATTERS

Strong leaders build strong teams.

Good leadership drives better performance.

3. MAKE GOOD DECISIONS

DECISION MAKING FRAMEWORK

EPISODE 19: THE FIRESIDE STANDARD

1. WHAT IS THE FIRESIDE STANDARD?

The Fireside Standard is how we work—every day, in every task, in every warehouse, by every team member.

It's our commitment to safety, quality, accountability, and each other.

**It's not just what we do.
It's who we are.**

2. OUR COMMITMENT

SAFETY FIRST

We protect people, property, and the environment.

QUALITY ALWAYS

We do it right the first time, every time.

ACCOUNTABILITY

We own our actions and our results.

CONTINUOUS IMPROVEMENT

We look for better ways every day.

RESPECT & TEAMWORK

We treat everyone with respect and support.

3. OUR STANDARD IN ACTION

SAFETY

We follow procedures and look out for each other.

ACCURACY

We check our work and keep records up to date.

RELIABILITY

We deliver on our promises and meet expectations.

COMMUNICATION

We share information clearly and listen to others.

CLEANLINESS

We keep our workspace clean, organized, and safe.

Small actions. Big impact. That's the Fireside Standard.

4. EVERY ROLE. EVERY SHIFT. EVERY TIME.

From receiving to shipping, from picking to planning—every role matters.

The standard doesn't change.

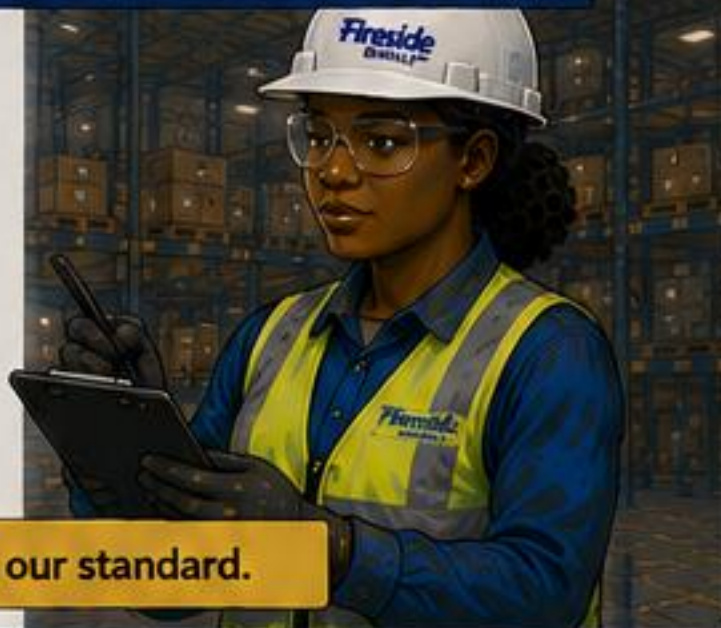

We bring it Every Day. Every Time.

It's how we work. It's how we win. That's the Fireside Way.

5. HOLDING OURSELVES TO A HIGHER STANDARD

- ☒ We follow the rules.
- ☒ We speak up.
- ☒ We take responsibility.
- ☒ We support our team.
- ☒ We take pride in our work.

Integrity isn't optional. It's our standard.

6. THE STANDARD NEVER STOPS

We don't just meet the standard when it's convenient. We live it—every shift, every day, no matter what.

**Consistent today.
Better tomorrow.
Excellence always.**

7. OUR PROMISE. OUR STANDARD. OUR FUTURE.

We are Fireside.
We take pride in our work.
We do what's right.
We raise the standard.

Together, we build a stronger Fireside.

That's the Fireside Way!
